

*Alexander Kamps has over 12 years of experience within the food industry across meat, dairy, baked goods, and frozen and canned vegetables and fruits. Alexander is a Certified Quality Auditor and has audited facilities worldwide for food safety and quality standards. He is passionate about environmental monitoring, food microbiology, and brainstorming risk mitigation strategies with industry partners.*

*Alexander is the Supplier Quality Manager for Nortera Foods Inc (formerly Bonduelle Americas Long Life), a leader in frozen and canned vegetable processing in the USA and Canada. As Supplier Quality Manager, he is the quality lead for the Del Monte brand in Canada and ensures quality and food safety requirements for all sourced materials and service providers are met for Nortera Foods and its customers.*
