

Angela Donovan is a Senior Manager of Regulatory Affairs for Dessert Holdings.

Where every day she is has the extreme pleasure of working on projects to support the regulatory side of Dessert Holdings' irresistibly decadent, dessert cakes & bars.

Angela's primary role is to ensure product label compliance within the Canadian and US food service and retail markets and to provide risk based regulatory support and recommendations to Dessert Holdings' internal and external customers.

Angela has spent the past 25 years in the food industry within the meat, frozen entrée, and baking industries. She has had diverse roles in food safety and quality, product development and her personal favorite regulatory.

Angela's roots are in the beautiful east coast of Canada and she still loves to spends vacation time there with her family in the summer months.
