

## Pius Gasser CV 2024

### Background:

I have a combined 45 years of experience in the Food Industry, working in hotels as a Food and Beverage Controller, Food and Beverage Manager, and Director of Purchasing, and in the Food Manufacturing Industry as a Plant Manager, and have spent the last 22 years running my own Consulting Company, that specializes in Management Coaching, Training, and Food Safety Implementations.

### Specialties:

- In 2016, I was appointed by IFS Certifications to head the North American Technical Services for IFS PACsecure and IFS Logistics. Most recently appointed to represent IFS in North America.
- I work with organizations to develop and maintain internal systems for their operations.
- I conduct training sessions with management and staff in all departments.
- I oversee the implementation of Food Safety Systems and guide food manufacturers in the achievement of the various International Food Safety Certification and Federal approvals.
- My unique style and hands on approach is well received by my clients and contractors – I often act as a sounding board for my clients, fellow business owners, and CEOs.

### Credentials:

- IFS Auditor Trainer for IFS PACsecure, IFS Logistics & IFS Brokers
- IFS Trainer for IFS Food, IFS PACsecure, IFS Logistics & IFS Brokers
- Member of OFPA (Ontario Food Protection Association)
