

Lisa's Moody, Senior QA Manager, Audit Programs

Food Safety Professional with more than 20 years' experience in industries including dairy, bakery, and protein, as well as managing 2nd and 3rd party audits with a major certification body. In 2022, she moved back to food manufacturing for Maple Lodge Farms, one of Canada's Largest Chicken producers, to be closer to the food safety action that comes with continuous improvement initiatives in Internal Auditing and Learning.
