

*Kevin Urbanic*

Kevin is the Director General for the Ontario Area in Operations Branch where he oversees the administration and delivery of the Agency's inspection programs in Ontario. He earned his Bachelors and Masters of Science degrees in biochemistry and microbiology from the University of Guelph and has spent the past 23 years working for the Canadian Food Inspection Agency (CFIA). Beginning as a food inspector in 2002, Kevin has worked in various inspection and management roles within the Agency's Operations Branch. Kevin is the Agency's champion for Mental Health and Wellness. Outside of work, Kevin is an avid triathlete who also enjoys camping, golf, and skiing.
