

Nathan Persaud

Graduated in 1996 from the University of Guelph. I have worked in the food industry for over 30 years in both supervisory & managerial roles. My first 23 years were spent on the “QA side of the desk” in further-processing meat facilities. I joined Sani Marc in 2019 as an Account Manager, servicing clients in Southwestern Ontario across a range of commodities. In 2026 I took on the role of Director of Sales, Food Processing, Ontario. I oversee a highly talented and passionate team, that provide support to clients across all of Ontario.
